

**Event Name:** [EXERCISE] EXERCISE: Supply Chain Interruption

**Event Type:** EXERCISE

**Public Health Category:** Facility Impact

**Distribution Category:** Distribute on a need to know basis

**Situation:** EXERCISE: An event has occurred in YOUR organization that has reduced an essential supply item for your organization. You have attempted to overcome the issue internally and found options are depleted. Your organization is in dire need of this essential item. Participating healthcare organizations are requested to implement appropriate components of your Emergency Operations Plan pertaining to supply chain disruption.

**Facility Impacted:** Other: Multiple Facilities

**Region(s):** Far Southwest  
Near Southwest  
Northwest

**Immediate Impact** EXERCISE: All participating healthcare facilities: Have you activated emergency operations and/or procedures at your facility? Provide name and phone number for your local emergency

**Required Action:** manager (hint: check [nspa1.org/emcontacts](http://nspa1.org/emcontacts)). Provide means of communicating with staff. Provide information about the general operational status of your facility. What gap did you identify during the tabletop exercise that is depleted? Using that gap, contact one vendor to and report response.

**Background:** EXERCISE: This exercise is intended to be completed by facilities that have participated in the 2019 CMS Healthcare Exercise Series including the Tabletop Exercises on October 8th, 9th, and 11th in Vinton, VA. All other facilities are welcome but not obligated to participate.

**Discussion:** EXERCISE: See initial post by RHCC (first action in Event Log) for an example response to the required action above.

**Recommended Action:** EXERCISE: See initial post by RHCC (first action in Event Log) for directions. An example response to the required action above is available.

**Action Taken:** EXERCISE: Update VHASS STATUS BOARDS appropriate to your organization type. Update VHASS EVENT MODULE to report your organization's engagement in the exercise. Please answer the questions in the first event log from Near Southwest Preparedness.
